A Note from the ABG Chair

Greetings ABG members,

I hope this letter finds you well and you are enjoying your summer. I am excited to work with all of you in my role as chair of the Alumni Board of Governors. I want to express my appreciation to last year's executive committee with special thanks to Susan Washaw and Vince Belusko. I would also like to thank this year's Nominating Committee who met to select our new members who will be announced later this summer.

The new executive committee recently participated in a planning retreat to discuss the upcoming year. Our agenda included discussions on plans for the board's working groups as well as the structure and content for the on-campus and virtual meetings. We also discussed our desire to conduct focus groups with all of you this summer. We are eager to hear about your experience on the board as well as your ideas and aspirations for the coming years. Your feedback and insights are vital in shaping the future of the alumni board of governors and ensuring that our initiatives align with the priorities of the university.

I believe the success of any board lies in its members' engagement and collaboration. I hope you will sign up to participate in one of the focus group discussions. Please review the dates below and indicate your preference on this form by DEADLINE. (LINKS TO BE INCLUDED)

Below you will find preliminary information about our fall meeting which will be held November 4-5. Please note that we have not yet set the date for the spring meeting. Typically the meeting is held in conjunction with Thurgood Marshall and Reunion. We have heard from some members that they would prefer our meetings to be held on a Friday afternoon and Saturday morning as we do in the fall. Unfortunately the Reunion schedule won't permit us to follow that schedule so we are looking into alternate dates. Please let us know if you have a preference on a Friday/Saturday meeting or a Thursday/Friday meeting. (SAME FORM FOR FOCUS GROUPS)

Please make sure to review the entirety of this newsletter for important information about the coming year. As we launch into the new academic year, I am excited about the potential that lies ahead. Together, we can amplify the impact of the alumni board, strengthen our connections, and create meaningful experiences for our alumni community. If you have questions, please don't hesitate to reach out to me or to Susan Cohen at susan_cohen@wustl.edu.

Sincerely yours,
Lisa Rosenkranz, BSBA '82

Founders Day

Board members are strongly encouraged to attend the annual Founders Day celebration the evening of Saturday, November 4. Please note that the format of Founders Day has changed from past years. This is now truly a celebration of our honorees, distinguished alumni, and outstanding faculty that the members of the ABC executive committee assist in selecting. The Alumni Board of Governors will host a special reception on the evening of Friday, November 3, prior to our dinner to recognize the honorees. Given ABC's important role in this evening, we would love to have a strong showing of our membership.

ALUMNI BOARD OF GOVERNORS NEWSLETTER

Newsletter for members of the Washington University
Alumni Board of Governors

A note from the ABG Chair

We are very excited that another new school year is underway, and we have much exciting news to share! Last month, we welcomed 1,834 new first-year students from all 50 states and 29 countries. This is the most diverse class ever — 21% of students are Pell Grant-eligible; 17% are the first in their families to attend college and 53% identify as students of color. And the students' interests are as diverse as their backgrounds with figure skaters, robotics champions, music composers, and more. Read more about the Class of 2027. And a special welcome to ABG member Jamie Fleischer's son, Jack, who is a member of the new class!

Best wishes,
Lisa Rosenkranz, BSBA '82

New ABG members

We are excited to welcome 12 new members to the board this year. Our new members are an impressive group.

They have interviewed prospective students, held leadership roles with the Eliot Society, led our Shared Interest and Cultural groups and much more. They represent 5 different schools (graduate and undergraduate), come from 8 different states and their graduation dates range from 1980 to 2019. All their names are listed below. We look forward to meeting the new members on campus at our November meeting. [Read more.](#)

Working groups

Thank you to the many of our returning members who participated in focus groups. On behalf of the board's executive committee, we appreciated your input and candor. The conversations were very instructive. I will share additional information at the fall meeting but be assured that we have listened to your feedback. [Read more.](#)

Commencement Office

Good afternoon,

We are five weeks away from the December Recognition Ceremony which will be held on Saturday, Dec. 10 at 10:00 a.m. CST. See below for the full schedule and important reminders.

Saturday, December 10, 2022

10:00 a.m. [December Recognition Ceremony](#)

1:30 p.m. [Olin Business School ceremony](#)

1. Registration is required to participate in the December Recognition Ceremony. The registration period will close on Nov. 16, 2022 at noon (CST). Graduates must register themselves, record their name for pronunciation, and let us know the number of expected guests.

If you receive a "you are not registered with marching order" message, please send an email with your full name and student ID to commencement@wustl.edu.

[Please click here to register now](#)

2. Regalia is also required to participate. You may [reserve regalia](#) through Nov. 18, 2022. Regalia pickup and return information may be found on our [Planning Guide for December Recognition](#).

3. Career Services would like to hear from you! Take a moment to [report your plans](#).

4. Livestream of the December Recognition Ceremony will be available on the [Commencement website](#). A recording will be posted to the website at a later date.

5. Graduation gifts are now available for ordering. This year we are partnering with Bear Necessities, the non-profit store on campus affiliated with the Women's Society of Washington University. Bouquets are available for pre-ordering through their [website](#), and will be available for pick-up at the event location. Additionally, you will find other items for celebrating the new graduate. We encourage families and friends to pre-order for best selection. All orders should be placed by Nov. 20, 2022.

6. Photography will be provided by GradImages. Individual pictures of graduates will be taken as they cross the stage, in addition to a quick portrait after they exit the stage. Images will be available for purchase after the ceremony. Graduates who [pre-register](#) for photos will save 20% off their purchase of \$50 or more.

7. Parking is available in the Snow Way parking garage and the Danforth University Center (DUC) underground parking garage. An [accessible drop off zone](#) will be available on the surface lot, east of the Athletic Complex. Please enter from Olympian Way. This lot will be reserved for those in need of accessible parking—you must have an accessible placard to park in this lot.

Additional ceremony details may be found on our [website](#) and [visiting campus page](#).

Thank you for taking the time to read the important items listed above. We look forward to celebrating each of you and all of your incredible accomplishments.

Congratulations!

Kathryn, you and your loved ones are invited to the December Recognition Ceremony at WashU!

Date: Saturday, December 14, 2024

Time: 10 a.m.

Location: Field House, Athletic Complex

[Learn more and RSVP](#)

A few things you need to do to get ready:

1. Let us know if you plan to attend. **Registration** is required to participate in the ceremony, and we ask that you RSVP even if you do not plan to attend. The registration period will end on **Nov. 18, 2024, at noon CST**.

This year's ceremony will be a ticketed event. Tickets will be shared at a later date.

If you receive a "you are not registered with marching order" message when attempting to register, please reply to this email with your full name and student ID number.

2. Reserve your regalia. You must wear regalia to participate in the ceremony. You may [order online](#) through the University Bookstore. The deadline to order regalia is **Wednesday, November 13, 2024**.

3. Report your plans. We survey all graduating students to gather information about your post-graduation plans. Please **let us know** what you have lined up or if you're still figuring it out!

4. Pre-register for portraits and order commemorative gifts. GradImages will take individual portraits of graduates crossing the stage and after exiting the stage. These images will be available for purchase, and if you [pre-register](#) for photos, you will receive 20% off of your purchase of \$50 or more.

We have partnered with Bear Necessities, a non-profit store on campus affiliated with the WashU Women's Society. **Gifts and bouquets are available for pre-order** and will be available for pick-up on Saturday, Dec. 14.

5. Undergrads! Get your gold philanthropy cord. A contribution to the Senior Class Gift connects **undergraduate seniors** to a lasting legacy of support, starting with the inaugural graduating class of WashU. Your gift, no matter the size, helps create opportunities for future undergraduates just beginning their education at WashU. **Give today** and receive a gold philanthropy cord to wear at your Recognition Ceremony, symbolizing your commitment to this proud tradition!

Are you a grad student interested in making an impact? Visit giving.wustl.edu to see all the ways you can support WashU students.

6. Join us and share the excitement on social media. Follow @WashUAlumni (see below) and join our alumni network on LinkedIn to keep up with what's going on at the university and connect with your fellow #WashUalumni!

We look forward to celebrating your accomplishments in December! Please visit our [December Recognition Ceremony](#) page for more information.

Sincerely,

Your WashU Commencement team

Message from the President

Dear friends,

The Great Forest Park Balloon Race is one of St. Louis's most beloved traditions, and the William Greenleaf Eliot Society is offering you a special opportunity to enjoy it with us.

On Saturday, September 16, we'll gather at Tisch Park on the Danforth Campus from 3-6 p.m. for Eliot Society Family Day! There will be live entertainment, kids' activities, tasty food, and incredible views of the Great Forest Park Balloon Race. We know many of you will be celebrating Rosh Hashana. If you plan to be at the balloon race, we hope you'll stop by.

You will receive your official invitation to this and other exclusive events when you [renew your Eliot Society membership!](#)

Finally, it has been a pleasure working for and with the Eliot Society these past three years. I have enjoyed getting to know so many of you as the society's president! While our paths might have crossed in a virtual event or meeting, I look forward to meeting you at a future Eliot event. I appreciate your generosity and your belief in our exceptional students, faculty, and medical staff as they strive to better our community and our world. GO BEARS!

P.S. If you have any questions about [renewing your membership](#) or about our Eliot events, please email eliosociety@wustl.edu or call 1-877-215-2727.

If you recently renewed your Eliot Society membership, please accept our deep gratitude and disregard this message.

Warmly,

Christopher Chivetta, BS '84, MBA '86

OCTOBER 2023

NEWSLETTER

For members of the William Greenleaf Eliot Society
at Washington University

A note from Pam Henson

The hustle and bustle of students on campus means fall is here. There's an energy in the air as the WashU community comes together to ensure a best-in-class experience for our students.

Starting in fall 2024, we'll take this experience one step further with our **"no-loan" financial aid commitment**. For undergraduate students, this means their financial aid packages will no longer include federal loans. Instead, they will be replaced with scholarships and university grants.

None of this would be possible without the incredible and increasing support from you, our generous William Greenleaf Eliot Society members.

As we celebrate this commitment, there is no doubt it will require significant resources. That's why **Make Way: Our Student Initiative**, a fundraising effort launched last year, is more important than ever. Through your support of Make Way, we can continue to welcome the most talented students and give them every opportunity to thrive.

I'm proud of our ongoing efforts to make WashU accessible and affordable to all. I hope you are too.

In other good news, **Nancy Parker Tice, AB '90, MBA '98, and Paul N. Tice, BSBA '90, JD '94**, are our new Eliot Society co-presidents. Nancy and Paul are committed and passionate volunteers within the WashU and St. Louis communities. Nancy is on the Gephardt Institute National Council, and Paul serves on the Brown School National Council. They were recently honored for their legacy of service at the **Brown School Awards of Distinction ceremony**. I hope you'll take a minute to watch the video and learn more about their history with WashU and the impact our university has had on lives. You'll be hearing from Nancy and Paul very soon.

All of us at WashU value your commitment to the Eliot Society and know you'll go the extra mile for our students. Thank you for all you do.

Pamella A. Henson, Executive Vice Chancellor

Q&A with Barb Bindler, AB '65

We sat down with Barb Bindler, AB '65, to discuss the role of volunteering in her life and her 60-year connection to Washington University. APAP Member Update
June 2023

As the Alumni and Parents Admission Program's 30th anniversary season comes to a close, we thank you for all you did to recruit, interview, enroll, and welcome students this season. You personalized the admissions process by conducting almost 5,000 interviews, reaching out to nearly all admitted and enrolling families to congratulate them and welcome them to WashU. We are so grateful to have you on the undergraduate admissions team!

Thank you for your leadership, Jason

Jason Lewis, BSBA '07, JD '13, has served as APAP executive chair for the past three years, and his term comes to a close at the end of this month. Jason has led an APAP and Alumni Networks Club Conference, convened several St. Louis internships, modeled annual APAP events, mentored new APAP chairs, and been an outstanding advocate for all APAP members. Jason began his career as a WashU admissions officer.

We will continue to serve as the chair of the St. Louis central APAP committee and a member of the Admissions Board of Governors. Jason, thank you for your leadership over the past three years. We all look forward to continuing to benefit from your enthusiasm and love for WashU.

You're invited: WashU welcome parties

Mark your calendar and register to join us at a Welcome Party this summer or fall. These are great opportunities to connect with fellow APAP members, as well as other WashU alumni, parents, and students in your area.

APAP parent chairs' term comes to a close

After four years as the APAP chairs of parent members, it's time to say goodbye to Gwen and John Litchmann, and to bid farewell to Jason Lewis, BSBA '07, JD '13, and several graduates. In a 2023, they were in a great position to serve as the leaders of APAP parent volunteers. Throughout their tenure, they hosted events, guided fellow parent volunteers through online programs for admitted and enrolling students, as well as the Parents Resource List and Parent and Family Socials. Most important of all, they were outstanding ambassadors for WashU, and enthusiastically conveying the word about the university to their community of Los Angeles and beyond.

Thank you, Gwen and John for all you did on behalf of APAP and WashU!

What's next

This month, parent volunteers have been calling families of enrolling students to welcome them to WashU and answer their questions as they prepare to send their children to campus this fall.

If you intend to send a student away to college, you received an email asking you to [log in to the Portal](#) for more information.

We will be hosting [Summer Socials](#) in various cities in July and August. These are opportunities to welcome our first-year students and their families to the WashU community. You will receive an invitation if there will be an event in your area.

The summer events are open for APAP volunteers, but please look for an email from us in August to welcome you to the 2023 season. Don't hesitate to [reach out to the APAP staff](#) if you need anything in the meantime.

New first-year students gathered with alumni and parents at the recent St. Louis central APAP event on the beach.

Congratulations, APAP scholarship recipients

APAP's two scholarship recipients, **Shiva Iyer**, AB '23, and **Jewel Evans**, AB '23 graduated in May. These students were selected for the APAP scholarship in 2019 as incoming first-year students because they received a high APAP interview rating, showed academic and extracurricular promise, and demonstrated a clear and genuine financial need. We wish them well and look forward to welcoming them as APAP alumni volunteers!

The APAP scholarship committee will select two new first-year students to receive the scholarships this fall. Please consider contributing to the [APAP scholarship fund](#) to help the university continue to enroll outstanding students who are interviewed by APAP members.

The APAP scholarship was started in 2002 by APAP chair emerita Sally Silver, AP '02 and her late husband, Robert Silvers, AP '02, in honor of Sally's parents, Myra T. and Larry Kagan.

We will continue working to WashU's leadership as a research assistant and plans to apply to medical school. He writes, "without the scholarship attending WashU would not have been financially viable for me and ultimately do not think I would have developed the interests that I currently hold. WashU's physics department is undoubtedly one of the most welcoming and cultivated my interest in the subject."

Jewel majored in anthropology and will complete her Master of Public Health degree through the Brown School in May 2024. "I am very grateful to the members of APAP for their consistent support," she said.

MAKE WAY

The [Make Way Initiative](#) provides undergraduate student scholarships, graduate student scholarships and fellowships, and a first-in-class student experience. With the help and support from our entire WashU community, we'll ensure outstanding students from all backgrounds have every opportunity to reach their full potential.
